(a) The details of total quantum and value of agricultural products exported from the country, product-wise and year-wise, are at Annexure-I. Country-wise details (Top 5 countries) in respect of major commodities are at Annexure-II.
(b) As per World Trade Organization (WTO) International Trade Statistics 2015 (based on trade in 2014), India's share in world exports of agricultural products was 2.5%. India ranks 7th among the leading exporters of agricultural products.
(c) Encouraging exports of agricultural products is a continuous process. Besides these measures, the Ministry of Commerce & Industry has put in place various schemes namely Market Development Assistance (MDA), Market Assistance Initiative (MAI) and Merchandise Export Incentive Scheme (MEIS) etc. to provide assistance to encourage exports.
(d) Organic products are exported under the National Programme for Organic Production (NPOP) notified by Directorate General of Foreign Trade (DGFT) under the Foreign Trade (Development & Regulations) Act, 1992. This programme involves accreditation of Certification Bodies, standards for organic production, promotion of organic farming etc. The NPOP standards for production and accreditation system have been recognized by the European Commission and Switzerland as equivalent to their country standards.
